

ACUPUNCTURE FUNDAMENTALS  
CONFERENCE

# EAST MEETS WEST

COMPLEMENTING CHINESE MEDICINE  
*with* WHOLE FOOD NUTRIENT SOLUTIONS

2017 Dates: June 9-10 | August 25-26

*Be our guest for a free two-day educational conference specifically for practitioners of Chinese medicine.*

*Your acupuncturist peers are discovering that when they combine nutritional supplements with acupuncture and herbs they get better, faster results. Providing nutritional support has never been more critical.*

*Since 1929, Standard Process has delivered nutritional supplements made from whole food and other ingredients along with the science to back their efficacy. Reinforcing Chinese herbal medicine's approach to synergistic healing, our formulas include a balanced blend of whole food nutrients from plant, mineral, and animal origin as well as herbs and other ingredients.*

## Event Features

- Tour our 420-acre certified organic farm and state-of-the-art manufacturing facility nestled in the heart of Wisconsin's Kettle Moraine State Forest.
- Receive Standard Process and MediHerb® products equivalent to \$500 suggested list price.

## David Hogsed, DOM, AP

David Hogsed is in full-time practice at the Natural Healthcare Professionals clinic in Fort Myers, Florida. His practice specializes in providing effective nutritional support for endocrine, digestion, musculoskeletal, nervous system, and immune system health. David has been a clinical consultant and speaker for Standard Process since 2003.

His seminars are best known for simplifying clinical nutrition, herbal medicine, laboratory tests, and patient education.

## Emily Glasser, LAc, ACN

Emily Glasser is a clinical nutritionist, acupuncturist, and functional medicine specialist. With her years of training in Eastern and Western medicines, she brings an integrated approach to healing, using an extensive health and wellness toolkit that includes nutrition, lab testing analysis, acupuncture, and herbal/botanical medicine. Emily's unique perspective allows her to see the big

picture and connect the dots for her patients by investigating, finding, and treating the source of the issue.

An experienced practitioner and well-respected speaker and educator, Emily regularly teaches seminars for other health practitioners and the public on a wide range of topics.
